Mayor Leo P. Carlin
City Hall
Newark, New Jersey

Dear Mayor Carlin:

A couple of weeks ago you agreed to be present at a City Council meeting when you, the Council and the Group Relations Commission will join in honoring the recipients of Newark's First Annual Brotherhood Awards.

The time is 8 P.M. sharp (before the regular Council meeting) on Thursday, February 16, 1961. You and President Bontempo will be asked to say a few personal words when the short ceremony is completed.

The men to be honored are: Irving Laskowitz, Director Tenant Relations Division of the Newark Housing Authority; Richard Lowry, Newark Evening News photographer and the firemen who did the rescue work on the night of October 15, 1960.

Please try to reserve this time for this short 20 minute ceremony. I am sure they will all feel the award means more if you can be present to share in their glory.

We are giving them framed citations and small bronze plaques. Here is the planned wording of the typewritten, scroll-form tributes. Are they OK by you?

Cordially,

Dan Anthony
